The drawing is a detailed architectural floor plan of a building, likely a warehouse or industrial facility, showing the layout of electrical wiring and components. The plan is overlaid with a grid system, with horizontal lines numbered 1 through 21 and vertical lines lettered A through G. Four units are identified: Unit 1 (L103.01.0.01, NF1.714,48 m²), Unit 2 (L103.02.0.01, NF1.708,77 m²), Unit 3 (L103.03.0.01, NF1.681,88 m²), and Unit 4 (L103.04.0.01, NF1.719,36 m²). Four blue circles highlight specific areas with numbers: 2414, 2783, 1513, and 6709. A legend on the right side of the drawing lists various electrical symbols and components, including switches, outlets, and wiring types. A title block on the bottom right contains project information, including the company name 'SEGRO', the project name 'SEGRO 15. Grundbesitz GmbH', and the drawing title 'Elektronische Hölle 03 Unit 1-4 Erdgeschoss'. The drawing is dated 10.08.2024 and has a scale of 1:500.
